Reading (10 marks)

Read the text, then answer: « Four seasons in Ain Draham »

Hello! I'm Nour and I live in Ain Draham, a small town in the north-west of Tunisia. There are four seasons in a year, and I like them all.

Winter is my favourite season. In January, it is cold, rainy and sometimes snowy. I put on my boots, my gloves and a warm sweater. I love playing in the snow with my brother Aziz.

In spring, the sky is clear and the air is fresh. We go outside and collect flowers. Aziz likes catching butterflies, but I don't.

Summer is hotter than spring. Next July, we will be on holiday. We will go to Tabarka and build sandcastles on the beach. We won't stay at home! In autumn, it is windy, and we go back to school.
