Writing: a possible text

On the weekend, my family and I sometimes go to Ain Draham. First, we walk in the forest. I enjoy walking because the air is fresh. My brother Amine likes riding his bike, but I prefer climbing the hills. At noon, we have a picnic by the river. We eat sandwiches, salad and oranges. Then my dad and I fly a kite. In the evening, we are tired, but we are very happy.

This is one good model among many. The pupil's text is marked with the checklist.
