Writing: a possible text

Dear Yassine,

How are you feeling today? I know you have a stomachache. You should stay in bed and drink lots of water. You mustn't eat sweets or crisps. Today is sports day at school. First, we play football, then we run a big race. My team wins the football match, but we lose the race. Everybody is tired but happy. I hope you get well soon!

Your friend, Hamza

This is one good model among many. The pupil's text is marked with the checklist.
