Writing: a possible text

On Sunday, I always try to have a healthy day. First, I have breakfast with my family: milk, bread, olive oil and an egg. Then I play basketball with my cousins in the park. For lunch, my mum cooks fish, vegetables and rice. I drink lots of water because it is good for me. In the afternoon, I sometimes ride my bike. In the evening, I eat soup and a yoghurt. I mustn’t eat sweets before bed, so I brush my teeth and sleep early.

This is one good model among many. The pupil’s text is marked with the checklist.
