Writing: a possible text

My favourite season is spring. It is warmer than winter, and the sky is often clear. In March and April, I wear a T-shirt and a light jacket. I enjoy riding my bike in the park with my friends. My little sister likes collecting flowers. Next spring, we will have a picnic in Zaghouan. We will play hide and seek, but we won't stay out late. I love spring because it is sunny and beautiful.

This is one good model among many. The pupil's text is marked with the checklist.
