Writing: a possible text

I like helping other people. At home, I tidy my room and I wash the dishes after dinner. My brother and I take care of our dog, Rex. We give him water twice a day. At school, my friends and I clean the blackboard and collect the paper. Next week, we will plant flowers in the school garden. We won't leave the classroom dirty. Our neighbour is old, so I carry her bread every morning. We are stronger together!

This is one good model among many. The pupil's text is marked with the checklist.
