Writing: a possible text

Last June, we had our end of year party at school. First, we decorated the classroom with balloons. My friend Sarra brought doughnuts and I brought orange juice. Then a funny clown arrived and showed us some magic. We laughed a lot! After that, we gave our teacher a gift and a card. She was very happy. We didn't want to go home, because we will miss our friends this summer.

This is one good model among many. The pupil's text is marked with the checklist.
