Reading (10 marks)

Read the text, then answer: « A shopping day in Sfax »

Last Saturday, Rania went shopping in Sfax with her aunt Leila. First, they went to the market. “How much are the strawberries?” Rania asked. “They’re five dinars a kilo,” said the seller. Aunt Leila bought a kilo of strawberries and some meat.

Then they walked to the clothes shop. It is next to the bakery and opposite the bank. Rania needed a sweater for school. She tried on a blue sweater in the fitting room, but it didn’t fit. The red one was perfect, and it was cheap: only twenty-five dinars!

After that, they went to the toy shop behind the post office. Rania’s little cousin Fares has a birthday next week. Rania chose a puzzle, but Aunt Leila preferred a ball. In the end, they bought the ball.

They ate a croissant at the bakery and went home, tired but happy.
