### Writing: a possible text

Last summer, my family and I went to Tozeur. Tozeur is a town in the south-west of Tunisia. We travelled by car, but I prefer to travel by train because it is faster. In Tozeur, we visited the old town and walked between the palm trees. The houses are made of yellow bricks. It was hotter than in Tunis! We ate dates and took many photos. Next year, I would like to visit Dougga.

This is one good model among many. The pupil's text is marked with the checklist.
