Writing: a possible text

Last spring, my friend Pablo came from Spain to visit me in Sousse. When we met, we shook hands and smiled. In Spain, people often kiss on the cheek, like in Tunisia. First, we went to the medina. Pablo bought a red chechia for eight dinars. Then we took the train to El Jem and visited the old amphitheatre. In the evening, my mum cooked couscous. Pablo said it was the best food in the world!

This is one good model among many. The pupil's text is marked with the checklist.
